

Fungus Among Us Scavenger Hunt

See how many kinds of mushrooms you can discover and circle each one when you find it. One mushroom may be an example of more than one category. Remember to treat nature with respect.

Have fun!

<p>Growing on a seed cone</p>	<p>Slimy</p>	<p>Orange (like an orange)</p>	<p>With gills</p>	<p>Something eating a mushroom</p>
<p>Growing on the ground</p>	<p>Woody</p>	<p>Red (like a tomato)</p>	<p>Cup fungi</p>	<p>New, just popping up</p>
<p>Growing on a standing tree</p>	<p>Jelly</p>	<p>Free space</p>	<p>With pores (tiny holes)</p>	<p>Old and rotting</p>
<p>Growing on a fallen tree</p>	<p>Soft and velvety</p>	<p>Black (like a tire)</p>	<p>Coral fungi</p>	<p>Smells sweet</p>
<p>Growing on a leaf</p>	<p>Shaggy</p>	<p>Purple (like a plum)</p>	<p>Puff balls (spores inside)</p>	<p>Smells earthy</p>
